## GOOD SAMARITAN CHILDREN'S HOME

---

*"A Safe Place We Call Home"*

---

Hello from the Good Samaritan Children's Home - providing a safe place for children in need. We are so grateful for the faithful supporters who pray for and financially support our children and staff. You truly make it possible for us to love on and provide for the needs of all the children who come to us in a time of need.

### **Back to School 2025!**

There was much excitement for the return to school and return of routine at the children's home this year! We are so thankful the children are excited about getting an education and blessed that we are able to provide that for them through the generosity of the community that supports them. This year we have 14 students enrolled at the Christian school in San Juan, 5 young ones enrolled at a nearby private preschool-3rd grade school, and 7 more attending a local public school. Each child has different needs and learning abilities and special attention is given to where each one will learn best. There are several children at home for various reasons as well: baby Michael is just 2 years old, others are placed just temporarily with us and we are not given permission or records to send them to school. Thank you for praying for the children to have a wonderful year of learning and growing!

The children, with the encouragement and teaching of Ego and Sol, recently participated in an art competition celebrating the beauty and culture of San Juan. The children were special guests in a beautiful activity and each presented their artwork in front of the judges and crowd. Prizes were given in each category and while we celebrate that Junior won a large cash gift, Ego says they all feel like winners because they were able to be a part of such a wonderful event. What a blessing for the children (two of whom lived on the streets of San Juan just several months ago) to be recognized in such an honoring way.

The highlight of summer vacation was receiving a team from Allensville Mennonite Church! For a week the children enjoyed awesome Bible lessons, games, crafts, and activities as well as a walk to and picnic at the river. The team transformed the basketball court with beautiful colors, made a gaga ball game, and did several other work projects. So many special memories were made and we are so grateful!
