United for Life – Sunday, January 21, 2024

When God's people come together:

We open our office doors daily thanks to our financial donors who understand what it takes to keep the lights on and pay the rent. **A woman finds her way to our center after searching for help online** because donors give financial support during our fundraisers. Thanks to our well-

trained, highly skilled medical staff, **our ultrasound machines allow a young girl to see the new life growing inside her.**

The centers are clean, organized, and ready to serve, thanks to our behind-the-scenes volunteers who give their time. Thanks to donations from our local churches, **our closets get stocked with supplies. The questions of a desperate boyfriend will be answered** because our male peer counselors understand what he is going through. **Women who have suffered a pregnancy loss or a past abortion find healing** thanks to compassionate client advocates who lead them to peace. **Students learn how to have a healthy future** because our Reaching Destinations presenters are passionate about the well-being of youth in our schools.
The list goes on and on...

None of this is possible without your help.

WILL YOU JOIN US?

You'll be amazed at what God can do when we stand *United for Life.*
