Subject: Update On Rachel

It's a GIRL!

We're praising the Lord for the safe arrival of our fourth granddaughter! Rachel safely delivered her baby girl, Raphtalia Rose, on August 21st. The doctors ended up inducing her because they discovered the baby had a single umbilical artery and wasn't growing like she should. She was a wee little four pounds, six ounces! Just a little more than the average bag of sugar these days!

They did find that she also has a hole in her heart, but like her auntie, they're expecting she'll grow out of it and to be fine. Mama and baby were released less than 48 hours later! Raphtalia's sisters adore her and love to cuddle with her. We're thankful Rachel's husband was able to have paternity leave so he could enjoy those early baby snuggle days.

We would appreciate continued prayers for Rachel and her family as they adjust to having a third little one in the home. Please pray also that Raphtalia's heart would develop normally like they're hoping for.

Thank you so much for your continual prayers for our family and our ministry! We can't do it without you and our Lord walking beside us!

Serving THE KING together,
Mark & Gina
