Hello Church Families!

As we're looking forward to, and preparing for camp this year, we have a few things we'd like to share with you! Due to your continued prayer and financial support, Hope's Haven has been able to make the Executive Director role a paid position. We are so excited for the ways that God is going to use this step of faith to further His mission of helping kids grow and develop their relationship with Him! This decision is allowing us to dedicate more time to prepare for camp, reach out to more communities for support, and create new connections with like-minded ministries. So thank you for your continued support, we could not have accomplished this without you and your willingness to pray, donate, and volunteer.

One connection we were able to create is with The Cracked Pot Coffee Shop in Mechanicsburg, PA. They are a Christian coffee shop whose mission is to help children aging out of the foster care system develop life skills and come to know Jesus along the way. We recently met with Cracked Pot's Executive Director Emily and she was excited to hear about our work and is recommending our camp as a volunteer opportunity to individuals who have graduated from their program! It is so exciting to think that our campers will be able to hear the gospel shared from more individuals with testimonies similar to their own!

Last year we were able to host 31 campers, which is smaller than usual, but we are preparing for camp this year with the goal of 60 campers! This means we need at least 68 volunteers. This is no small feat, and while some volunteer applications have already trickled in, we are far from meeting our needs. In light of that, please consider volunteering with us this summer. It's a short term mission experience that will not easily be forgotten and the campers look forward to it with so much joy every year! Camp 1 for 5th - 8th grade is June 7th - 10th and Camp 2 for 9th - 12th grade is June 14th - 17th. We are looking for anyone with a passion to serve Jesus and children who have experienced foster care. This could mean using your cooking skills, building relationships with kids, taking pictures, serving as a nurse, helping setup/teardown, or leading worship. We need you, so thank you for considering serving our ministry through volunteering!

Please continue to be in prayer for Hope's Haven! Specifically, that we are able to have enough volunteers so that we can reach 60 campers, that our volunteers are ready to serve with the Spirit overflowing from them, that the campers come with softened hearts to hear the gospel, that our financial needs are met as we continue to grow, and that Catie and I are able to continue following God's lead as we prepare for camp. Prayer is the first work and it means so much to us to be partnered with you in prayer!

Lastly, please consider sponsoring a camper through giving. It costs about \$600 for one camper to attend camp at no cost to their families. You can donate at hopeshavencamp.org or checks can be made payable to "Hope's Haven" and sent to 1040 Edison St, York, PA 17403.

Thank you,
Zac & Catie Rebuck
Executive & Camp Directors
