Hello Everyone!

This year brings the exciting reality of three summer camp programs! Hope's Haven will have one program running each month of summer. God seems to be "sending us out" as we continue to seek campgrounds near unique populations of foster-impacted youth. We envision churches and Christian Camps fully equipped to carry out the work of sharing the Good News of Christ with Foster-Impacted Youth and you have all supported Hope's Haven in this mission. Thank you!

Our Camp Dates are:

June 9-12 at Camp Hebron in Halifax, PA for foster youth aged 13 through 17.

July 7-10 at Camp Hebron in Halifax, PA for foster youth aged 9 through 12.

August 11-14 at Camp Eder in Fairfield, PA for foster youth aged 13-17.

We are seeking out teams of local missionaries to champion each of these teams being led by independent pairs of camp directors! Together these teams will take the Good News of Christ to Foster-Impacted youth by speaking against the lies of the world with the Truth in the Word. Each camp focuses on the child's identity in Christ and as an Image-Bearer of God, how they can communicate to God through prayer and lament, and their need to repent and receive the forgiveness of God through Christ and to become people of forgiveness as a result.

If you are interested in learning more about serving at or leading a camp please contact us at [info@hopeshavencamp.org](mailto:info@hopeshavencamp.org) or 570-850-9443.

Finally, consider giving back to Hope's Haven.

It costs \$450 to provide one foster-youth with our summer camp program and we ensure that the families we serve never see the bill! While this seems like a big ask, \$37.50 a month is all it takes to provide a foster-youth with the Good News of Christ through our summer program! Checks can be made out to "Hope's Haven" and mailed to 1040 Edison St, York, PA 17403 or consider setting up a recurring donation online at [www.hopeshavencamp.org](http://www.hopeshavencamp.org).

Thank you for your continued support and prayers!

Zac Rebuck

Executive Director
