## Sometimes Ministry means peanuts

---

As the year began, Ka Babay Church opened for its first service in the newly completed church building. We praise God, as nearly 400 were in attendance. Where once there was no church, there now stands a church attended each Sunday by many from the local community. Additionally, each weekend, between 130 and 140 children receive a meal and learn the word of God while attending Bible club.

---

The home construction crew was busy constructing a home for one of the women who cooks at the ministry center. They lived in a rented plywood house that was being eaten by termites. It will be a huge blessing to be in a dry block home with cement floors. Thank you!

---

We were able to finish the security wall at Belval Church by installing a steel gate. What beautiful work was done on the gate. It shows so much pride in their work and the desire to provide something special for the church.

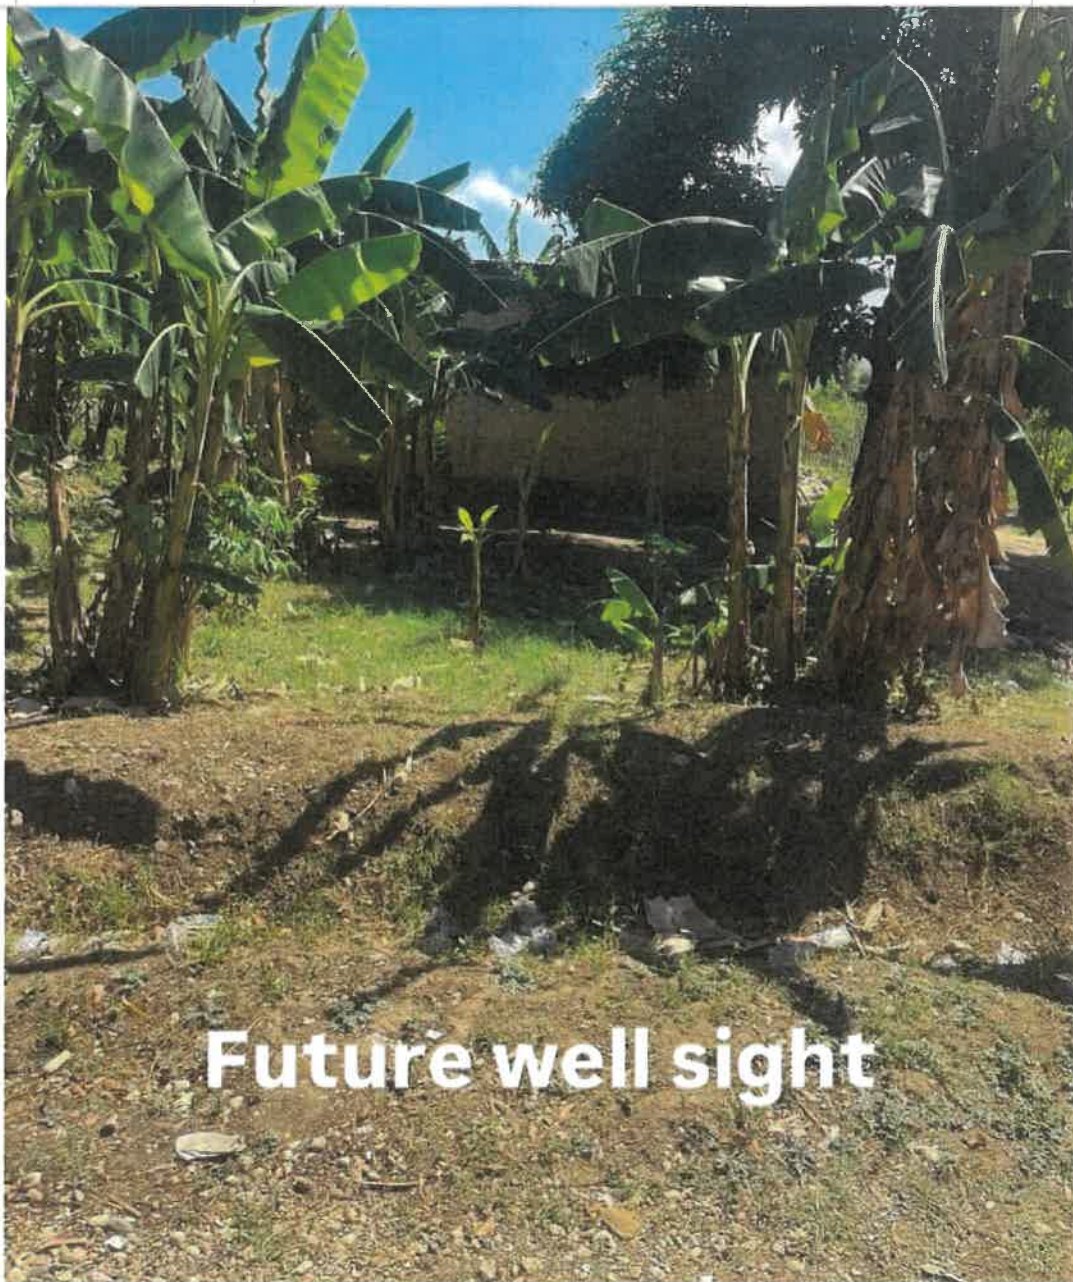

---

We are currently raising funds to have a well professionally drilled in a local community. They once had access to water from a mission that sadly has closed. At the only other well in the area, they must pay to pump water. For most, this is impossible. Once funds are raised, we will have the well drilled, enabling the community to access free, clean water for their families.

---

The Bible clubs continue to reach into the lives of the children. We were blessed to be able to distribute beautiful illustrated Bibles to all eight Bible Clubs for the children to take home. Please join us in praying that these Bibles would also impact the parents and siblings in the home. For most, this will be the only book in their home. We praise God for this opportunity.

As we began replanting the gardens, we followed the desires of our gardeners. They wanted to plant peanuts. This process takes a group of men three weeks to complete. At the start of week number two, the peanuts were already showing life bursting from the ground. The men said, “It’s a joyful day for us”. Please join us in praying for a joyful, bountiful harvest.

---

Ministry in Haiti is constantly changing, but God's Word remains the same. Sometimes you're offering a glass of water or something as simple as peanuts, but the true gift offering is eternal life, where we never thirst or hunger.

***"Then Jesus declared, "I am the bread of life. Whoever comes to me will never go hungry, and whoever believes in me will never be thirsty." John 6:35***

***“Greater things are yet to come.”***

---

**On behalf of the Juniper Board we want to thank you  
for your ongoing support and journeying with us in  
ministry.**

**Serving Him together, George & Lori Losch**
