# GOOD SAMARITAN CHILDREN'S HOME

---

*"A Safe Place We Call Home"*

---

Thank you for your continued prayers and support of the Good Samaritan Children's Home! We have some amazing news to share with you all! Our dream of better education for the children became a reality this school year! All glory to God! We stepped out in faith believing for the provisions and God is making it happen! We don't have the entire year of funding covered yet, but we're believing it is coming!

The first week of September the majority of our children began classes at CCED (Centro Cristiano de Educación para el Desarrollo - Christian Educational Center of Development). It is nothing short of a miracle that the school had space for so many at once. We have transportation (our minibus) and the children receive lunch supplied free of charge by a government cafeteria nearby. Living127 donations helped us buy new uniforms and shoes for everyone and several new sponsors joined the family with sufficient funds to help us get started.

We praise the Lord! We believe Christian education is important for our children. They come from very difficult backgrounds. They need to be surrounded by Christian teaching and guidance to help them heal and often make up for lost time educationally. We believe we will see our children challenged, yet thriving and being pushed forward to brighter futures. Will you pray with us for them as they continue to make this transition, make new friends, and do more homework? Will you also pray with us for the funds to

keep our children in this school year after year, Lord willing? We know God is able!

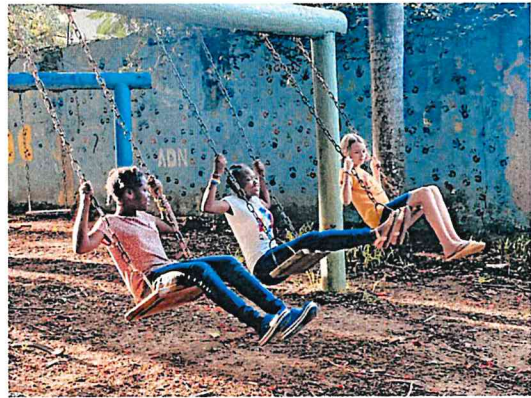

Our four youngest school students are studying closer to home. They are enrolled in a small primary school in Vallejuelo. We also have four others studying at home for varying reasons this year. Please pray for wisdom and patience especially for Aunt Rebeca who is a certified teacher and oversees the education of all of our children. Pray for supernatural growth of neurons in minds that lacked nourishment emotionally, physically, and educationally for many years. We say it again - we know God is able!

Pizza Pizza! In July we had a pizza party to celebrate the end of the last school year. Everyone was able to "decorate" their own pizza! Wow, what an experience! We love seeing the children experience new things, be creative, and enjoy good food too. We had so much fun we're certain we should repeat this experience several times a year. ;)

We were blessed to have Katiana and Linda in our home for 11 days during their summer vacation. It was during the week of VBS at our church so the girls helped with dance, crafts, and small group activities. They also ministered with us at many other events such as girls' clubs and children's outreach. These girls are such a joy! They brought so much fun and laughter to our home.

Here's just a glimpse of happenings from one of our recent visits to Good Samaritan Children's Home. Top to bottom: Waiting for snack, morning devotions, lots of games, and good nutritious food cooked and served by our amazing aunts. We are so thankful for them and the way they work so well together and care for our children!

## GIVING INFORMATION
