GOOD SAMARITAN CHILDREN'S HOME

"A Safe Place We Call Home"

Hello from the Good Samaritan Children's Home - providing a safe place for children in need. We are so thankful for the faithful supporters who pray for and financially support our children and staff. You make it possible for us to love on and provide for the needs of all the children who come to us - whether for one week or for the rest of their childhood. The Lord is at work in these precious hearts! Two teenage girls recently told me that they have decided to accept Jesus into their hearts and follow Him. Several have hardened hearts and are more resistant towards the Gospel. The Lord has convinced us that we are to love them and do our best to lead them to Jesus every chance we get for the time they are with us. Christ is transforming lives at the Good Samaritan Children's Home!

Back to School 2026!

The start of a new school year means new black shoes, school uniforms, school supplies, new children to be enrolled, documents to be transferred... it's a lot of work for the directors and staff of Good Samaritan! There's excitement for some, nerves for others. Early bedtime, early wake up alarm. We are so thankful our children have the opportunity to study and advance in their education. Many are several years behind due to having unstable living situations prior to arriving to the home. We believe in encouraging each one to do their best to reach their full potential. Pray with us that they will believe in themselves and desire to do their best this year.

Summer Fun!

In July we were blessed to have Cortney and Aubrey spend a week with the children - teaching the Bible every day and organizing games and activities for summer fun! They taught interactive Bible lessons to everyone every morning with the theme “Diving Into Friendship With Jesus.” Then in the afternoons they had more intentional Bible study time with the teenagers and learned about the Christian life in the book of Ephesians. Spending a whole week with the kids helped Cortney and Aubrey build relationships with the kids and speak into their lives, as well as be a help to the staff during summer break. Other highlights from the summer include swimming in the river, family night around the campfire, and celebrating our teenage girls with a fun photoshoot!
