Hello Everyone!

2024 was another great year for Hope's Haven! We hosted 37 campers this year at Camp Swatara, with 31 campers reporting that they have an ongoing relationship with Jesus; of the 6 that had no relationship, 2 from the Middle School Camp gave their lives to Christ! This information gives Hope's Haven direction on how to continue growing; as we prayerfully need to continue sustaining those who already have a relationship with Christ, while more effectively reaching out to those who do not yet know Jesus as their Lord and Saviour.

As we exited Camp 2024, we had three campers request to stay in contact throughout the year; two of these connections have occurred successfully, while the kinks for the third one are still being worked out.

In preparations for Camp 2025, Hope's Haven is excited to announce that our camps are moving! Hope's Haven will be entering into a partnership with Camp Hebron, in Halifax, Pennsylvania for the High School Camp in June 2025. We will be working alongside each other to establish a dual relationship with Hope's Haven campers; working with the kids to help them be comfortable with Camp Hebron staff and volunteers. This is exciting because as our campers graduate out of Hope's Haven; they will be eligible for Camp Hebron's Embark - which serves individuals ages 18-25 who have been through the foster care system!

Our Middle School Camp will be held at Summit Grove in New Freedom, Pennsylvania, in August 2025. This location is an exciting opportunity for us to reach out to new campers in Adams County and Baltimore City, while maintaining many of the relationships established with returning campers!

However, things are not finished for Hope's Haven this year! We are excited to announce that we will be participating in Lancaster County's ExtraGive on November 22, 2024. If you do not want to wait until then to support the growth of Hope's Haven you can donate to us via check or online. Please mail all checks to our mailing address (1040 Edison Street, York, PA 17403).

Every dollar raised ensures that children who have been neglected or abused are able to experience the love and hope in Jesus Christ, through a free summer camp designed for them! Just \$500 pays the way for a camper.
