

November 2025

“Hey Dwayne, can you cook the meat for the Equip Conference?” With Susie and my daughters’ help we cooked and pulled 4 pigs for the 350+ people and provided an amazing meal. Many of those have decided to join the training next year. Praise God!

Each year we invite the Ethnos360 Bible school students and others interested in missions, to come to the Ethnos360 training in MO to learn about Missions and how they can be a part. This year over 350 people came to learn about phonetic sounds in language, translation rules, and lots of other jobs that help a missionary survive in remote jungle location. These jobs include language helpers, supply buyers, Tax prep helpers to keep the IRS happy, supporting churches for Prayer and funds and mission liaison who helps keep each the needs of the missionary presented to the church.

Susie and I are part of Ethnos360 Training program. A 2-yr program where we focus on teamwork, Walking with GOD, children’s education, health, translation, literacy of the tribal language. God allows us to be a part of His Plan to train future missionaries. Just like Paul and Barnabas trained Timothy, Titus, and John Mark to leaders in the early church.

I help students with car problems like brakes or changing oil. My main Job is to repair the missions’ broken vehicles, equipment or something that needs welding. I repair appliances and oversee food pantry.

Susie is enjoying childcare helping mothers participate in class. She enjoys seeing children grow and teaches them respect for others as she cares for them.

*We are thrilled to tell you Kira is engaged to Will Chambers, Will is a godly man and has worked as a youth pastor, construction, and many other jobs. Pray for Will and Kira as they plan their wedding and future.

*-Pray for Kegan, his autism makes it difficult to have a job.

*-Pray for Asher, he is being deployed to South Korea for 2yrs in December.

*-Pray for Adellie, She is enjoying the 2nd yr of Ethnos360 Bible school in WI. She is learning lots and growing in her faith.

*-Thank you for your Prayers and support. You are truly a blessing to Susie and I as we train missionaries.

Humbly In HIS hands.
