Fall 2022

the subject of parenting to, what may be, a mostly secular audience of law enforcement and first responder personnel and their spouses.

Dear Friends,

The summer months were full of activity and preparation and ministry; and, as God has given us the opportunity to share publicly and to give counsel, we want to be faithful and to speak the truth in love. This has given us much joy to be able to serve together, side by side.

We want to be pursuing an intimate growing relationship with Jesus Christ, ourselves, and encouraging others to pursue Christlikeness and becoming more and more like Him.

When we take our morning walks together, we use that time to pray for marriages, our own included, and it has motivated us to continue in prayer. It's exciting to see God at work, and we want to be part of that.

Ministry & Family Update:

Thank you for praying for Beka during her summer ministry with CEF. The Five-Day-Camps went well. We had the privilege of helping her in three of the camps. Pray for Beka as she is now in her Senior year at Pensacola Christian College. Pray too regarding decisions following her graduation. There are a number of options she is considering and praying about.

Jonathan has just completed the first phase of his training with a Federal law enforcement agency. Pray for him as he begins another five months of more rigorous training beginning at the end of October.

Please pray for our involvement in an upcoming conference, October 21-22. We are addressing

Marriage issues are often the result of personal issues. Trouble in the marriage is an indicator of a deeper spiritual problem somewhere else. Pray that the Lord would give us wisdom and understanding of root issues as we counsel with couples and individuals.

Our ministry board has asked us to have a more active presence on social media. Perhaps you've seen some of the videos we've recently produced. Help us expand our outreach by liking and sharing our posts. If you have ideas for future videos, please let us know.

We want to say thank you for your continued prayers and support of our ministry. If you would like us to pray for your marriage or to talk, please reach out to us. We'd love to connect with you.

We are grateful for your partnership in the Gospel.

Through Christ Our Lord,
