MERRY CHRISTMAS

“Count your blessings name them one by one,” This is an old hymn that my mom sang as a youngster. As we Celebrate Christmas, here are some blessings I have named.

* Jesus died on the cross to pay the price for my sins.

* I have eternal life With God

* I have an amazing wife who loves God. I have children who love God, a house to live in, a car to drive, food to eat.

* I have coworkers who love God.

What things do you Find in your life that you can count as blessings? How thankful are you when things go as you plan them? What about when things do not go according to your plans? Can I count it all Joy when trials and tribulations come my way?

*3 new language groups have heard the Gospel presented in their language this year. There are new brothers and sisters in Christ. This brings joy to me.

* Susie and I were able to donate 9 pigs to the students for pig roast and simple living butcher classes this year. We have new goat kids and lambs born on our farm. They bring joy to Susie, Kira and Adellie.

* Adellie is in Bible school. Pray for her as some of the homework is difficult to complete.

*Asher has been in the Army for about 3.5 years and will start mechanic training in January. He has done very well and enjoys it.

*Kegan is learning computer programing.

* Kira is Master Baker at Panera and has a herd of Goats that she cares for.

* I have the privilege of teaching students how to take care of their cars.

There are over 2000 language groups that still need to hear the Gospel. Pray with us as we work to prepare missionaries to take the Gospel to these people.

I pray God will bless you as you follow His Will for your life. If you would like to know more about God or our Ministry with Ethnos360, please contact Us.
