

THE KINGS' QUEST

"To Know Him and to Make Him Known"

God is Making Us 'Holier'

This past month has been wonderful in so many ways. Our family of 7 (plus 1 more on the weekends) is all together for a short time, we're able to work and minister together most days, and we've had incredible opportunities to minister to literally hundreds of children! In the midst of treasuring the moments, we've also encountered an unusually high number of holes in the past month. You read that right - HOLES! We found a hole in the hot water heater, in the water pressure tank, a rust hole in the roof of our car, a hole in the Powerhouse tent, a hole in the house

awning... not to mention a bathroom sink that came crashing down and completely exploded into shards on the tile floor. So many holes! As we were talking about all of the holes that needed fixed, one daughter spoke up and said "It sounds like God is making us hol-ier." What a great play-on-words! It has allowed us to face these challenges with hope and expectation, instead of discouragement. We desire to be made holier - more like Him - each day! If it takes a few holes in our lives to help us draw near to Him, so be it!

We are so very thankful for those who support our family, making it possible for us to work full-time in ministry here in the Dominican Republic and take care of these holes. Our desire is to tell everyone about our Holy God who loves them and sent His Son to make them/us holy too. Thank you for your investment in holy work! With love, Mack, Lori, and girls

Boys' and Girls' Clubs

We continue to meet weekly with 12-15 boys and 30-35 girls from the communities surrounding our church. Every week we provide a safe place from them to play, learn together, and grow in the Word of God. Over the summer we gave them all a Bible memory challenge using select verses from the book of James. It was so fun to see them get excited about earning points to purchase fun things at the club store. Even more exciting was seeing them fill their minds with great truths from God's Word. Next week we will begin teaching the Girls of Destiny course again, praying we can reach even more girls with the message of salvation. Thank you for praying for us and for God to move in the lives of these precious ones.

Here are ten pictures to share some things we've been doing lately: (Top left to bottom right) 1. Pastor Peterson and the closing program of the Center of Development 2. Powerhouse

enrollment! Here we go again! 3. Food donations for Haiti 4. Youth service/evangelism with a bonfire 5. Sunday School classes 6. Children's ministry/evangelism in a new community outside of the city 7. Hygiene products and school supplies purchased and delivered to the Good Samaritan Children's home 8. A free, one-day evangelistic camp for 40+ young girls 9. Cortney, Kyla, and Cami spent some time in Pennsylvania this summer. Did you see them? 10. Maria (the young lady that lives with us) graduated high school in July - the first of her family in known history to achieve this goal! The Lord has since called her to attend the Bible Institute where she studies Mon-Fri and comes home for the weekends. The Lord is at work in so many lives. Praise Him!
