Merry Christmas,

Lancaster County's ExtraGive 2024 was a huge success this year!

We had set a goal of raising \$4,000 through this event and due to a number of individual donors and corporate donors; including Longenecker's Hatchery, Advanced Cooling Technologies Inc., and Kairos Massage & Skincare; we exceeded our goal, raising a total of \$5,045 for the start of 2025!

To break that down, in 24 hours, we raised enough funds to cover the cost of 11 campers for our 2025 season! Because of Lancaster's ExtraGive 11 children who are, or have been, in the foster care system are ensured to hear the Good News of Jesus Christ through a camp program designed specifically for them! In the words of a 2024 camper, Hope's Haven is where they "hear about God in a way that isn't talked about on a Sunday morning, or in Sunday School." We craft our program to speak specifically into the context these kids have experienced, not backing down from how God can and will meet them in the midst of their trauma and broken stories.

Thank you so much for those who supported us through this 24 hour event both prayerfully and financially!

We ask that you keep our ministry in your prayers as we press into the preparations for our 2025 season. We are asking God to fill our program to capacity for a total of 60 campers, as a result we are inviting at least 60 volunteers, ages 15+, to step into camp with us, ready to start relationship with the campers we serve and potentially enter into an ongoing mentorship with them throughout the year.

Thank you,
