KING GIRLS UPDATE

We thought it would be nice to send a little update from each of the King girls. We are so blessed to minister together as a family. We raise them up to send them out for the glory of God, but we sure do treasure the moments that everyone is home together. :)

This spring **Cortney** had the opportunity to go to the jungles of Peru to serve and minister with some Dominican friends who are missionaries there. She had quite the adventure - traveling 24 hours by boat into the jungle where she and her teammates taught Bible lessons orally for a week, as this ethnic group has no written language. Then, due to weather and other issues, they could not get an airplane OR boat out of the jungle and had to stay an extra week. Cortney

enjoyed her adventure and the mission, but we sure are glad to have her home and ministering with us again.

We celebrate the high school graduation of **Kyla**! She's off to new experiences soon. Kyla plans to be a camp counselor at CRC in East Waterford this summer. Then in Sept-March she will be participating in YWAM Boston's Discipleship Training School. This school has a theater emphasis which is one of Kyla's interests and passions. If you would like to stay connected with and/or support Kyla during this next year of serving, learning, and evangelism, please reach out to her or to us. She will be sending out emails with updates and more information in the next month.

Cami is completing 9th grade in the next week or two! She's had a busy year, trying to complete her classes while also helping with teams and ministry, being very active in the church, and being a **BIG** sister!

At the end of June we celebrate 2 years with **Katelyn** and **Kiana** and will be able to begin their process of US immigration! We ask for your prayers for favor and timely processing. We are so anxious to travel together as a family again and introduce them to our wonderful community "back home."

Our home is home to two more beautiful young ladies as well, each in different stages of life and with their own needs. We ask for your prayers for **Maria** and **Kimberly** and for us as we are family to them. May the Lord accomplish His will in their lives and use us to minister love, family, and health to them.

Thank you so much for your continued love and support of us, our family, and the ministry the Lord is growing here in the Dominican Republic. We love you and pray blessings over you.

- Mack and Lori, Courtney, Kyla, Cami, Katelyn, and Kiana King
